Phone: (0212) 292 4939
Fax: (0212) 252 3293

List of presenters

- (1) Mustafa Oguz Afacan (Sabanci University)
- (2) Ahmet Alkan (Sabanci University)
- (3) Nick Baigent (London School of Economics)
- (4) Pablo Branäs (Middlesex University)
- (5) Aygun Dalkiran (Bilkent University)
- (6) Onur Dogan (Istanbul Bilgi University)
- (7) Maria-Paz Espinosa (University of the Basque Country)
- (8) Filippos Exadaktylos (Istanbul Bilgi University)
- (9) Nikolaos Georgantzis (University of Castellon)
- (10) Ayca Ebru Giritligil (Istanbul Bilgi University)
- (11) Nicolas Gravel (University of Marseille)
- (12) Begum Guney (Ozyegin University)
- (13) Isa Hafalir (Carnegie Mellon University)
- (14) Rahmi Ilkilic (Bilkent University)
- (15) Emin Karagozoglul (Bilkent University)
- (16) Mehmet Karakaya (University of Lausanne)
- (17) Semih Koray (Bilkent University)
- (18) Ozgur Kibris (Sabanci University)
- (19) Alan Kirman (University of Aix-Marseille)
- (20) Serkan Kucuksenel (Middle East Technical University)
- (21) Antonin Macé (Ecole Polytechnique)
- (22) Ugur Ozdemir (Istanbul Bilgi University)
- (23) Rafael Treibich (Ecole Polytechnique)
- (24) Walter Trockel (Istanbul Bilgi University)

Program

Friday May 17

9:30-9:45 **Workshop opening**

9:45-10:45 **Implementation**

- Serkan Kucuksenel (Middle East Technical University) "Implementation of the maximum sustainable yield under an age-structured Model"
- Semih Koray (Bilkent University) "Implementation and monotonicity revisited in the light of rights structures"

10:45-11:00 **Coffee break**

11:00-12:30 **Game Theory**

- Emin Karagozoglu (Bilkent University) "A Minimally altruistic refinement of Nash equilibrium"
- Aygun Dalkiran (Bilkent University) "Common knowledge and state-dependent equilibria"
- Walter Trockel (Istanbul Bilgi University) "Discrete Raiffa again: A comparison of existing axiomatizations"

12:30-14:00 **Lunch**

14:00-15:00 **Political Economy I**

- Nick Baigent (London School of Economics) "Aggregate violence"
- Ugur Ozdemir (Istanbul Bilgi University) "Measuring polarization"

15:00-15:15 **Coffee break**

15:15-16:15 **Decision Theory**

- Begum Guney (Ozyegin University) "Aspiration-based decision making"
- Nicolas Gravel (University of Marseille) "Conditional expected utility criteria for decision making under ignorance or objective ambiguity"

16:15-16:30 **Coffee break**

16:30-18:00 **Matching and Networks**

- Rahmi Ilkilic (Bilkent University) "Incentive compatible trade on networks"
- Mustafa Oguz Afacan (Sabanci University) "Enrollment manipulations in school choice"
- Ahmet Alkan (Sabanci University) "Pairing games and markets"

19:30 **Dinner**

Saturday May 18

9:30-10:30 Voting Rules

- Antonin Macé (Ecole Polytechnique), "An axiomatization of range voting"
- Mehmet Karakaya (University of Lausanne) "A characterization of the Borda rule on the domain of weak preferences"

10:30-10:45 Coffee break

10:45-11:45 Political Economy II

- Filippas Exadaktylos (Istanbul Bilgi University) "Social Capital and the Welfare State"
- Ozgur Kibris (Sabanci University) "A Decision Theoretic Model of Civil Conflict"

12:00-13:00 Political Economy III

- Maria-Paz Espinosa (University of the Basque Country) "Glass Ceilings"
- Alan Kirman (University of Aix-Marseille) "On the emergence of economic identity"

13:00-14:30 Lunch

14:30-16:00 Markets and Contracts

- Nikolaos Georgantzis (University of Castellon) "Market games in the lab: Vertical vs horizontal cooperation"
- Onur Dogan (Istanbul Bilgi University) "Core and price equilibria in Shapley-Scarf markets with coalitional trade"
- Isa Hafalir (Carnegie Mellon University) "Efficient Risk Sharing with Private Information"

16:00-16:15 Coffee break

16:15-17:45 Fair Division

- Rafael Treibich (Ecole Polytechnique) "Fair social orderings with average externalities"
- Ayca Ebru Giritligil (Istanbul Bilgi University) "Asset legitimacy in bargaining games with joint production"
- Pablo Branas (Middlesex University) "Fairness or spite? What is the ultimatum game about?"

19:30 Dinner
